

KKEF Young Environmentalist Internship Award 2005 Recipient

En Khairul Naim Adham

Internship to: Systain Consulting GmbH, Hamburg, Germany.

Title of Paper: Ecological Optimisation of the Value Chain for Consumer Goods

En. Khairul Naim Adham is 33 years old and has a Bachelor degree in Horticulture from Putra University Malaysia. He also has diplomas in Public Management from INTAN and Human Development from Putra University Malaysia. He is currently employed as an Assitant Secretary (Administrative and Diplomatic Officer) at the Ministry of Internal Security in Putrajaya. In his submission essay, Khairul has highlighted the importance of reducing waste using environmentally sound techniques such as waste elimination at source, cleaner production, recycling and many others. His essay and subsequent interview has indicated his interest and passion to contribute in improving the practice of environmental management in Malaysia.
